

Tea Dance – 100-word brochure copy/ 50-word copy if just the first paragraph is used

The Ragroof Players Tea Dance is a fantastic three-hour participatory event featuring DJs for discerning dancers playing authentic music from the 1920s to 1950s, vintage costumes, glorious dance displays, the company's trademark instant dance classes, and a chance for everyone to trip the light fantastic.

Everyone is welcome, no partners needed – and Ragroof's unique approach to partner dancing encourages everyone to learn the steps of both lead and follow, rather than be dictated to by gender.

So polish up your dancing shoes and join us – and if you fancy it, then do dress to impress, but it's not compulsory!
